

SCHOOL BASED ASSESSMENT RESULTS - QUESTION RESPONSES

How satisfied are you with the following Facility System features?	ANDREWS/JACKSON/MIDDLE	BOYD/ELLENDALE	NATIONAL CENTER/HIGH	PLANTERS/ELLENDALE	ANDREWS/ELLENDALE	WAYNE/ELLENDALE/HIGH	LAVERGNE/ELLENDALE	LAUREL/ELLENDALE	GENERAL/MIDDLE	CHALLENGER T. ELLENDALE	CHRISTA/MACQUEEN/ELLENDALE	COOKA/BELLAIR/HIGH	COOKA/STANLEY/HIGH	COLUMBIA/ELLENDALE
Transportation Systems	Evaluation of car loop	Additional bike racks with paved bike area; Fire Lane in front of school and highly visible "No Parking" signage	New Bike racks; View restriction in parking area	New signage at vehicle and bus loop; Additional Visitor parking;	Evaluate bikers and walkers access to campus	Additional bike racks; Additional sidewalks from school's ROW onto campus	Ingress/egress/routing modifications at bus and car pick-up areas; Routing of walkers and bike riders to be evaluated	Additional Visitor parking	Additional signage at car loop; painting of crosswalks	Fencing at bike racks	Additional parking requested; Emergency vehicle access to be evaluated	Larger bike rack area and relocation; Speed bumps at student drop-off area	Additional bike rack requested; Walker access needs to be evaluated	-
Campus Paving, Sidewalks and Covered Walkways Systems	Resurfacing of all pavement areas; Upgrade of parking signage; Restriping of parking area	Guttering & downspouts at roof edge	-	Paving - South parking area; Correct flooding at sidewalks; Walkway canopies at all walkways & courtyard	Sidewalk finish and elevation upgrades; Canopy columns upgraded to address rusting	Upgrade drainage practice fields/baseball; Covered walkways Bldgs. 700 to 800; Sidewalk at baseball & tennis courts	Additional staff parking requested; Canopy system to portables requested; Securing of fence gates	Additional covered walkways	-	Upgrade of drainage at front of school & car loop	Storm drainage to be evaluated; Evaluation of walkway cover at front office area	Repair of sidewalks	Repair/Replacement of sidewalks; Covered walkway at ESE bus loop requested; Exterior signage requested	-
Security, Fire Protection and Fire Alarm Systems	Security cameras; Upgrade of Fire Alarm system; Evaluation of security lighting	Fencing improvements; Additional exterior security lighting including parking area	Interior and exterior security systems desired;	Fencing; Front door access control; Fire Alarm not audible from exterior	Additional security cameras	Perimeter fencing; Fencing at baseball/softball areas	Security cameras and intrusion detection system requested	-	Evaluation of parking lot lighting; Upgrade of ground floor security gates	Upgrade of walkway lighting	Perimeter fencing - single point of access on campus requested; Security cameras; Additional/Upgrade exterior lighting	Security evaluation to limit access points; Additional security cameras	Line of sight/security issues to be evaluated	-
Landscaping and Play Areas	Upgrade irrigation system	Covered play area/pavilion; Additional gates at playground	New well for irrigation desired @ front and west side of school	Irrigation system needs new time clock; Provide mulch in lieu of sand at play areas	Painting of exterior walls	-	Additional & upgrade existing playground equipment	Deterioration of existing playground equipment	-	Upgrade of PreK playground equipment	Evaluation of playground equipment; bordering of playground mulch area	Repair of irrigation system	-	Playground equipment condition and location assessment requested
Outdoor Physical Education	Evaluate pool house; Resurface and restripe track, basketball and tennis courts; Additional PE Storage; Paint Gymnasium;	Covered play area/pavilion	-	New PE Storage Building; correct flooding at baseball field; Covered pavilion at basketball courts	New PE Storage Building	Evaluation of surface cracks and lines at track; Gymnasium bleachers to be evaluated; Additional visitors bleachers at stadium	Basketball courts need resurfacing and painting of lines	Additional PE Storage Building	-	Painting of lines at basketball court	Additional storage for PE/athletic equipment; Track resurfacing; Replace existing stadium concession stand	Fencing/dugouts requested at softball field area; Track resurfacing requested	-	-
Campus Accessibility and ADA	Evaluate asphalt condition; Restriping parking stalls; Signage upgrade	-	-	Additional ADA parking spaces; Signage at front office; Automatic door openers at front office	ADA Parking location at bus loop and causes traffic conflicts;	Additional ADA parking requested; ADA signage assessment requested	-	-	-	ADA ramp and access door requested; Upgrade of exterior signage	Additional ADA door closers; Additional ADA drinking fountains	Power doors requested at Media Center; Additional accessible water fountains requested	-	-
Mechanical, Electrical and Plumbing (MEP) and Technology	HVAC system upgrade; Electrical system upgrade; Air conditioning in the gymnasium	Plumbing system needs to be evaluated for upgrade	Plumbing fixtures should be upgraded	Rooms vary in temperature - HVAC system upgrade; Address 21st Century classroom technology needs	Mechanical system upgrade needed	Replacement of Bell/intercom/PA system; Technology infrastructure in classes requested	Mechanical system evaluation in select Classrooms and Media Center	Technology upgrade	-	Evaluation of Mechanical and Electrical systems; Additional student stations and upgrade	HVAC system upgrade; Upgrade corridor lighting; Bell/clock system to be evaluated; Technology upgrade	-	Evaluate electrical service; Evaluate plumbing service; HVAC systems to be evaluated	-
Building Finishes and Systems	Replace carpet with ceramic tile at select spaces	Tile flooring in Classrooms and Administration	Exterior painting; Critical finish deterioration at north side of building	Provide cover in courtyard; Upgrade of exterior finishes at courtyard; New blinds and window treatments	Flooring replacement needed in some Classrooms; Doors warped and paint finish failing	Tile flooring upgrade in gymnasium, cafeteria and classrooms; Interior painting - Windows leaking	Exterior painting requested; Tile replacement in specific rooms (S1-S1); Interior paint failure	-	Exterior painting is requested; Floor tile missing in select rooms	Repair of building cracks; Exterior painting; Flooring upgrades campus wide	Exterior painting needs to be refreshed; Repair interior high traffic areas (gymnasium, locker room, cafeteria)	Interior doors in poor condition; interior painting requested	Replacement of Media Center carpeting requested	-
Building Interiors	Remove lockers & paint walls; Replace carpet in classrooms with ceramic tile; Select doors to be painted	New furnishings and flooring in Media Center; Interior painting at Cafeteria;	-	Additional food service equipment	Inadequate office space for staff and storage space	Storage Bldg for Athletic, Administration, and Gymnasium requested. Classrooms sizes to be evaluated	Additional classroom restrooms; Additional storage space	Additional storage needed	-	Security cameras at restrooms areas; Additional restrooms at select spaces	Music classroom requested; Media Center upgrade requested	Ticket booth for Gym requested; Additional serving lines in Cafeteria; Additional storage areas; Addition Kitchen prep area	ESE Classroom enhancement requested; Additional serving lines at kitchen requested	-
Principal Priorities	HVAC system upgrade; Air conditioning in the gymnasium; Exterior wood door replacement; Evaluation of pool house upgrade	Fire lane addition; Security fencing campus wide	Track stadium Press Box needs to be replaced; Auditorium facility needs to be updated including systems/equip.	Evaluate electrical service throughout campus; Correct flooding between 500 & 600, 300 & 400 and at back bike path; Evaluate functioning of grease trap; Technology and safety upgrades	Bus loop too small for number of buses; Bus loop shared with parking creating vehicle conflicts; Configuration of bike rack location and student circulation should be evaluated	Issues relating to Baseball and Softball Area	Security Cameras campus wide and intrusion detection system	Additional storage; Plumbing issues in 900 wing; Exterior upgrade including painting, lighting & canopies for walkways	Security upgrade is requested; Upgrade classrooms without 21st Century equipment; Completion of exterior painting work	Improvements to site drainage requested; Security cameras; Limitation of points of campus access	Mechanical system upgrade; New playground equipment; Outside covered play area; Additional parking; Additional sidewalks; Electronic marquee	Evaluate campus layout to limit access points; Additional permanent Classrooms to allow enrollment increase	Sidewalk repair/replace as priority; Surfacing and repair of track requested; Whiteboard replacement; Interior door replacement	Ability to monitor present gate locations to be evaluated; Use of gates/fencing to limit access to Buildings

SCHOOL BASED ASSESSMENT RESULTS - QUESTION RESPONSES

How satisfied are you with the following Facility System features?	COONING ELEMENTARY	ELSON ELEMENTARY	ELVALPA MIDDLE	INSOVERT ELEMENTARY	PAULGALLE SENIOR HIGH	RODONWOOD JUNIOR HIGH	STURKAPALE ELEMENTARY MIDDLE	INTERBIRLE ELEMENTARY	PARSONS ELEMENTARY	REARDON J. ELEMENTARY	ROLOVER ELEMENTARY MIDDLE	STANBURN ELEMENTARY	STOLVER ELEMENTARY MIDDLE	WALKER CHRISTIAN ACADEMY ELEMENTARY	WILSON COTY ELEMENTARY
Transportation Systems	Modifications to bus loop to prevent overflow to street	Additional parking requested for Staff & Visitors; Evaluation of vehicular circulation on campus and through parking area requested	Enlarge Bus Loop; Signage upgrade	Additional parking; Evaluation of vehicular circulation	Evaluate vehicular circulation at drop-off/pick-up areas	Add lighting to North parking area; Restripe parking lots; Provide additional signage	-	-	Provide access control to main entry doors	-	Additional parking; New bike racks	Upgrade site signage; Additional parking at former security portable location; Restriping at front of school	Additional parking; Routing modifications to vehicle and bus traffic.	Provide Fire Lane designation; Traffic signage including speed limit	
Campus Paving, Sidewalks and Covered Walkways Systems	Sidewalk repairs requested; upgrade of covered walkways requested	Resurfacing/sealing at front parking area and car loop; Covered walkways to pavilion and portables; Traffic signage	Resurface Bus Loop; Restripe and additional signage parking areas	Stormwater issues at select sidewalk/crosswalk paved areas	Covered walkways to portable classrooms	Covered walkways between Building 3 & 4 (both ends); Additional traffic signage; Improved gutter system	Covered walkways at portables	Concrete at bike path cracking; Back play field floors; Signage at bus-loop and car-loop	Resurface car loop; Seal all other paving on site	-	Painting of bus loop striping	Covered walkways for portables; Sidewalk resurfacing at select areas	Car loop improvements; Sidewalk repairs	Sidewalk repairs	
Security, Fire Protection and Fire Alarm Systems	Security cameras requested	Additional security lighting requested; Security cameras requested; Evaluate campus to develop single point of access	Security cameras; Single point of access; Upgrade of exterior lighting	Single point of access; Additional exterior lighting at building perimeter and parking areas	Single point of access	Additional lighting in north parking area; Additional security cameras	Repair bus loop fence	Add panic hardware to access gates; Provide security cameras; Upgrade fire alarm system	Provide access control to main entry doors; Additional exterior lighting; Secure/Gater at all entry/exit doors	-	Upgrade of campus fencing	-	Access gate modifications; Additional exterior security lighting	Fencing; Limit points of access	
Landscaping and Play Areas	-	Irrigation system requested	Upgrade of irrigation system	-	Irrigation system needs to be upgraded	Provide irrigation system	Additional mulch at playground areas	Provide irrigation system; Upgrade playground equipment; Additional mulch at playground	Additional playground equipment; Irrigation at front area	-	Sprinkler system upgrade; Playground equipment upgrade	-	Irrigation system repairs	-	
Outdoor Physical Education	Resurfacing of courts; Replace existing storage units	Resurfacing of play courts requested	Resurface basketball courts; Replace basketball goals; New softball field backdrop	-	Upgrade sewer system at football concessions; Address turf issues at football field	Track resurfaced and restriped; Remove lights from Baseball; Remove dugouts from Baseball; Lights at tennis courts; Relocate bleachers	Provide additional PE Storage	Additional PE Storage; Provide athletic track; Small bleachers for PE class; Striping of basketball court; Flooding at basketball court	PE Storage shed replacement	Provide additional PE Storage	Restripe basketball courts; New basketball goal assemblies	Additional PE Storage; Evaluate root damage at hard court	-	Upgrade playground equipment	
Campus Accessibility and ADA	ADA upgrades at classroom restrooms; ADA water fountains campus wide	Evaluation of accessible doors on campus; Stage access to be evaluated	Provide elevator; provide ADA compliant drinking fountains; Replace signage; Upgrade door hardware	-	Lack of cold water at drinking fountains	-	Evaluate ADA accessible entrance; Evaluate ADA compliant restrooms	Upgrade exterior building signage; New digital marquee; Therapy pool for new program	Upgrade water fountains; Upgrade/Repair school marquee	-	Restriping of traffic/parking lines; Evaluate exterior signage	Signage improvements	-		
Mechanical, Electrical and Plumbing (MEP) and Technology	Mechanical system upgrade requested; Pipe leaks	HVAC system upgrade; Evaluate electrical service; Sanitary system evaluation; Bell, Audio, Intercom systems evaluation	Plumbing and electrical upgrades; HVAC upgrade; Electrical service for technology; Evaluate corridor lighting	Upgrade of Electrical system; HVAC issues at building addition	Evaluate HVAC units; Desire waterless urinals at group restrooms	New HVAC at Media Center; Replace toilets at media Center; 21st Century Technology upgrades	Evaluate HVAC system at portables	Upgrade telephone system; Additional PA speakers at car loop; Additional 21st Century equipment; Add Computer Labs	Additional 21st Century student stations	-	-	-	Evaluation of HVAC system; Plumbing issues; Electrical upgrade to accommodate technology	Additional outlets for technology; Some classrooms need 21st Century equipment.	Upgrade of 21st Century equipment; Upgrading of cables, infrastructure & equipment
Building Finishes and Systems	Roof leaks at Administration; Exterior doors to be evaluated; Flooring needs to be evaluated	Roof leaks; Interior/Exterior painting; Replacement of exterior doors; Skylights failing; Flooring evaluated	Painting throughout campus; Upgrade of exterior doors; Carpet replacement at band/chorus room	Replacement of all carpet with tile	Number of roof leaks; Lockers need to be painted	Paint school exterior; Roof leaks Building 08; Paint interior; Replace Carpet at Band and Media Center	Repair Bldg. 13 windows; Replace Computer Lab and Music Room carpet; Evaluate flooring at Portable 3	Exterior painting; Replace carpet in Music Room	Interior school painting; Replace all carpet/vinyl with ceramic tile; Custodial Clo. floors need painting	Exterior painting; Interior painting at cafeteria; Evaluate carpet in select areas	Window replacement at Administration; Exterior painting; Upgrade bathroom finishes	Replace Media Center carpet; Paint interior and exterior doors	Door replacement needed; Flooring in Bldg. 1 & Cafeteria needing replacement.	Exterior painting at select locations	
Building Interiors	Staff restrooms needed on NW side of campus; Evaluation of classroom config. requested; Additional staff dining & conference	Replace cabinets in classrooms; additional electrical outlets; Kitchen too small; Restrooms line of sight to be evaluated	-	-	Upgrade of wall system at Gymnasium; upgrade of grease trap at Kitchen	Renovation/Addition to Administration Building	Additional PE Storage; Enter space for Music	Provide Building numbers	-	Additional storage	Replace Media Center carpet; Limited storage	Limited storage; Additional expansion of serving line	Some Classrooms too small; Administration layout should be evaluated	Limited storage; Upgrade of Media Center circulation desk and shelves	
Principal Priorities	Existing walkway canopies in poor condition; Additional walkway canopies requested; Admin. Area needs resource room, guidance office & conference room	Limit points of access on campus; Cabinetry in main building not adequate; Additional Storage desired; new Kitchen Cafeteria desired; Reconfigure classroom spaces	Air conditioning in Gymnasium and Locker Rooms; Bus loop improvements; Entrance for late arriving students; Additional parking for Visitors and Parents	Single point of access to campus	Address roof leaks; Address gymnasium appearance; Address security access on campus; Upgrade restrooms and lockerrooms	Address lack of covered walkways; Renovation/Addition to Administration Building	Address single point of access; Provide security cameras/intrusion detection	New irrigation system; Site drainage improvements around hard courts and playground areas; Additional pavilion	New school marquee; HVAC upgrade for classrooms; Access control at main entry doors	Small cafeteria size; Limited classroom space	No office space for counselors; Limited storage space; Increase amount of parking; Perimeter fencing	Additional parking; Trash compactor	Building with open classroom plan should be evaluated for renovation	Fencing; Limit points of access; Evaluate Administration layout; Upgrade Media Center circulation desk & shelves	

SCHOOL BASED ASSESSMENT RESULTS - QUESTION RESPONSES

How satisfied are you with the following Facility System features?	HERBERT C. HOOPER MIDDLE	HERITAGE HIGH	LAMAR B. LESTER, JR. ELEMENTARY	INDIAN LANE ELEMENTARY	JAMES MADISON MIDDLE	JOHN F. Transportation Systems	-	-	Evaluation of sidewalk to campus entry	-	-	-	Additional visitor parking; Striping painted; Additional exterior lighting	-	Evaluate car loop capacity	-	-	Painting of striping and resealing of parking lots	Additional bike rack	-
Campus Paving, Sidewalks and Covered Walkways Systems	Correct Drainage at East parking area and Gymnasium	-	Additional sidewalks at east side; Canopy system leaks	Evaluation of parking lot paving; Evaluation of center walkway	Evaluation of front entrance drop-off and flagpole area; Drainage evaluation; Bus loop traffic signage and paving	No covered walkways; Sidewalks uneven; Flooding of stormwater at North portables	Painting of striping at parking lots; Leaking covered walkways; Canopy covers to portables; Signage at car & bus loop	-	-	Replacement of curbs at front of school	-	Evaluate cracking sidewalks	Replacement of speed bumps	Covered walkway lighting upgrade
Security, Fire Protection and Fire Alarm Systems	Replace perimeter gates	Evaluation of security camera system; Additional lighting at softball, baseball field area; Evaluation of Fire Alarm	Upgrade of lighting at canopy covers	Evaluation of perimeter fencing; Single point of access fencing reconfiguration	Evaluation of Fire Alarm system; Exterior lighting; Fencing at Gymnasium	-	Lighting in parking areas; Locks and gate latch upgrades	Additional exterior lighting at rear of campus	-	Fencing and access gate upgrades at front of school	Evaluate playground location and type of fencing	-	Provide security cameras; Evaluate line of sight from Administration	-
Landscaping and Play Areas	-	-	Additional primary playground equipment	-	-	-	-	Additional playground equipment	-	Upgrade of playground equipment; Repair of fencing at K playground	Irrigation system	-	Add irrigation system	-
Outdoor Physical Education	Resurface track; Resurface basketball courts	Evaluation of electrical system at concessions; Upgrade of athletic fields	Striping on basketball courts; grading at play fields and softball	-	-	-	Lines repainted; Upgrade of nets and backboards	Additional PE Storage	-	Resurfacing of basketball court	Upgrade of fitness course equipment; Evaluation of basketball court and equipment	-	-	-
Campus Accessibility and ADA	-	Evaluation of marquee	Sidewalks at East Side; Covered walkways leaking	-	Sidewalk access to water fountains	-	-	Additional ADA parking; Upgrade of drinking fountains	-	-	-	-	-	-
Mechanical, Electrical and Plumbing (MEP) and Technology	Upgrade electrical system; HVAC system upgrade; Plumbing upgrade of galvanized pipe; 21st century technology upgrades	-	Replace walkway lights	Upgrade of HVAC system; Upgrade of plumbing system	Remove old science lab tables & systems; Remove old HVAC systems in classroom; Evaluation of HVAC system balancing	-	HVAC evaluation of balancing; PA not functioning in select areas	Additional lighting in corridor areas	-	HVAC upgrade at select areas	Upgrade of phone system	-	Upgrade of technology infrastructure; 21st century technology upgrades	Evaluation of HVAC balancing
Building Finishes and Systems	Replacement of VCT and carpet campus wide; Evaluation of exterior doors	Exterior door finishes; Evaluate glue issues	Upgrade Primary playground	-	Tile upgrades in bathrooms; Roofing leaks; Painting in select areas; Remove lockers and paint	-	Repainting and door touch-up in select areas; Roof leaks in select areas	painting of interior doors; Replace wallpaper with paint	-	Exterior door replacement; Additional doors Bldg. 1; Ceiling replacement Bldg. 1 classrooms	Replacement of carpet in select areas; Replacement of tiles in select areas	-	Painting of exterior of building; Replacement of carpets	Evaluate cracks in tile at select areas
Building Interiors	-	Additional storage	Provide electrical service; Stripe basketball court; Upgrade play fields	Modifications to Administration layout	Additional storage; Cafeteria evaluation of serving lines & restrooms	-	Evaluation of group restrooms at cafeteria; Administration evaluation of layout/circulation	-	Evaluation of acoustics at Multipurpose	-	-	Additional storage	-	-
Principal Priorities	Correction of HVAC and plumbing issues	Corrections to security camera system and fire Alarm system	Playground equipment upgrade; striping at basketball court; Safe room for ISS/IDK; New stage curtains; Larger cafeteria; Upgrade of entrance driveway and sidewalk access	Upgrade of plumbing system; Classrooms with HVAC issues; Evaluation of center sidewalk	Correct leaks in plumbing systems, roofs & HVAC system; Cafeteria door configuration and upgrade	Covered walkways to portables; Air Conditioning in gymnasium; Flooding at North area of gymnasium	Additional parking; Administration layout/circulation; Exterior lighting; Security cameras; Additional serving line in cafeteria	Additional parking spaces for staff and visitors; Security lighting for back of campus	Evaluation of campus security; Evaluation of car loop at dismissal; Upgrade of front door security; evaluation of floors; Upgrade of playground area	Additional parking; Perimeter security	Address playground visibility; Additional security cameras with online monitoring	-	Exterior painting of building; Additional landscaping and top soil	Evaluate widths of primary covered walkways

SCHOOL BASED ASSESSMENT RESULTS - QUESTION RESPONSES

How satisfied are you with the following Facility System features?	MANAGONGONG ELEMENTARY SCHOOL	METRO MANILA SOUTH HIGH SCHOOL	MARLBERT GRAND CENTRAL SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL	MAWA ELEMENTARY SCHOOL
Transportation Systems	Fencing at car loop area; Evaluate crosswalks and blocking at medians	Evaluation of security at front parking area	Evaluation of bus loop, student drop off and service vehicle physical width/circulation	Restriping lines at parking areas; Evaluation of entry gates	-	-	Upgrade vehicular circulation at parent loop	-	Upgrade of bike storage	Additional visitor parking; Evaluate service vehicle access	Additional parking; Increased bike storage; Additional sidewalks at front of school; Evaluate lines of sight at play areas & side parking.	Monitoring growth for impact	Bike pad and walkway at East bike rack; Evaluation of car loop/staging; Additional walkway at East side of school	Upgrade visitor parking	
Campus Paving, Sidewalks and Covered Walkways Systems	Replacement of gutters and downspouts	Resurfacing and restriping at parking areas; Additional gates at entrance of front parking area	Additional covered walkways; Evaluation of storm water system campus wide	-	-	Evaluation of sidewalk failure	Upgrade paving entire campus; Restripe all parking and traffic markings; Upgrade drainage at west parking area	-	Upgrade sidewalks; Upgrade storm water system at stadium	Upgrade sidewalks at North side of campus; Additional covered walkway to headstart Bldg. and PE pavilion	Asphalt areas need resurfacing; Covered canopies to portables; Upgrading of sidewalks	Restriping of parking lot; Covered walkways to portables	Upgrade drainage at West playground area; Evaluate access for overflow parking	Covered walkway providing access to roof	
Security, Fire Protection and Fire Alarm Systems	Provide security cameras; Repair campus fencing at front of school; Replace walkway lighting at select areas	Additional lighting at center of campus; Upgrade of security camera system; Evaluation of gate system campus wide	Upgrade of campus fencing and access gates	-	Additional gate near front office to control visitors	Additional lighting at back of school	Provide perimeter fencing	Upgrade Fire Alarm system	Upgrade fencing; Upgrade gates; Upgrade exterior lighting	Additional fencing at school perimeter; Upgrade Fire Alarm system	Development of single point of access; Provide security cameras; Fence replacement & repair	Additional cameras; Upgrade of fencing	Evaluate line of sight from Administration to school entrance; Upgrade front gate system	Evaluate lines of sight; Security cameras	
Landscaping and Play Areas	Painting of fencing and building trim	-	Upgrade of irrigation system; Upgrade landscaping	-	Irrigation system not functioning; Additional play space desired	Upgrade irrigation system; Difficulty growing grass under oaks	Upgrade irrigation system	ADA access to playground	Upgrade landscaping	Additional shrubs	Upgrade of playground equipment; ADA access to play areas	Additional mulch and surfacing under swings	Replace West playground equipment	Upgrade surface at play areas; Repair fencing	
Outdoor Physical Education	-	Additional outdoor & indoor Storage; Bleacher grip tape upgrade	Upgrade of concession and restrooms	-	-	-	Restripe all playcourts	-	Upgrade basketball & tennis courts	-	Baseball diamond for elementary use	-	Provide PE/Special Needs additional storage;	-	
Campus Accessibility and ADA	Evaluate signage and water fountains	ADA auto door openers	-	-	-	-	Restripe ADA parking; Evaluate ADA access location	-	-	-	-	Restriping of parking areas	-	Provide cold water at fountains	
Mechanical, Electrical and Plumbing (MEP) and Technology	Upgrade phone	HVAC Upgrades at select buildings	Upgrade HVAC system	-	Upgrade HVAC system; Upgrade 21st century equipment	Chiller replacement scheduled	Upgrade HVAC system; Upgrade plumbing; Upgrade phone system; Provide 21st century technology at all classrooms	-	Upgrade plumbing system; Upgrade lighting, electrical distribution, phone system and tech. infrastructure	Upgrade HVAC at Media Center & Cafeteria; Upgrade lift station; Upgrade wireless; Additional screens	Upgrade telephone system; Some HVAC upgrades remain; Technology infrastructure to be upgraded	-	Upgrades of HVAC, clock/bell system, telephone, media retrieval, TV's	Upgrade sound system at stage;	
Building Finishes and Systems	Ceramic tile in cafeteria; painting of interior select rooms	Upgrade of classroom door hardware	Roof evaluation Buildings 6 & 7	Interior and exterior doors need painting; Additional window blinds; New carpet at Library/Music	Refinishing at select locations	Upgrade tile in restrooms; Interior painting	-	-	Upgrade wood doors	Interior painting Bldg. 1; Upgrade exterior doors Bldg. 1; Upgrade floor finishes to ceramic tile	Replacement of bathroom floor tile	Touch-up painting throughout campus; interior walls with cracks	Replacement of VCT throughout campus; Replacement of carpet at Administration	Evaluate roofing system	
Building Interiors	-	Layout of cafeteria difficult to supervise	Provide multi-purpose room space	Upgrade stage curtains	Upgrade Cafeteria size	-	Upgrade security at group restrooms; Upgrade interior finishes & doors; Conference room at Administration; Storage	-	-	Evaluate cafeteria doors for noise control	Adjustments for EBD unit	Classroom size is not satisfactory	-	Prefer traditional closed classrooms	
Principal Priorities	Additional parking; Additional fencing at front sidewalk; Evaluate entrance to front office	Need to evaluate openness of campus; Upgrade of entrance areas to metal door assemblies	Evaluation campus wide of security using CPED principals; Upgrade of student parking lot entrance/exit	Evaluation of storm water flooding throughout campus; Evaluation of front entrance area	Upgrade of Cafeteria	Upgrade vehicular circulation	Upgrade HVAC system; Secure campus - single point; Upgrade West parking area; Cabinet upgrades; Evaluate drainage grates; Evaluate traffic circulation, parking lot sites, lighting and security	-	Upgrade fencing for security	Upgrade HVAC at Media Center & Cafeteria; Upgrade wireless; Additional parking; Evaluate doors at Cafeteria for noise control	Upgrade parking; Upgrade security; Additional sidewalks; Secured play areas	Upgrade of playground areas; Limited storage; Small classrooms; No common meeting areas; Upgrade of tile system in Cafeteria and Classrooms	Pad at East bike rack; Sidewalk from Clubhouse Dr.; Additional Storage; Upgrade fencing and gate system; Upgrade VCT to ceramic flooring; PE Pavilion; Exterior & Interior; Pains; Gutters	Address access points at back of school; Closing of classrooms; Evaluate campus security; Address access to roof	

SCHOOL BASED ASSESSMENT RESULTS - QUESTION RESPONSES

How satisfied are you with the following Facility System features?	WYOMING ELEMENTARY	ROBERTSON ELEMENTARY	ROCKWELL ELEMENTARY	ROCKWELL MIDDLE	ROYALTON ELEMENTARY	SABAL ELEMENTARY	SATLITE ELEMENTARY	SATURN ELEMENTARY	SEA HARBOR ELEMENTARY	SEVEN OAKS ELEMENTARY	SOUTHVIEW MIDDLE	SPACE COAST JHS/HS HIGH	SPRINGDALE ELEMENTARY	STONE MIDDLE
Transportation Systems	Evaluate bus loop for service/delivery vehicles; Overhang at bus loop; Evaluate pedestrian circulation through parking lot	-	Upgrade student drop-off; Upgrade bus loop	-	Fencing at bike racks; Evaluation of street crosswalks	-	Provide directional signage at bus loop	Resurface turn lane; Upgrade fence at bus loop; Provide turn lane	Removable dividers in car loop area	-	Create bus-loop	Evaluate safety of walkers at front of school; Fencing upgrade	-	Provide covered bus access; Provide crosswalk at school entrance
Campus Paving, Sidewalks and Covered Walkways Systems	Resurfacing and restriping of parking lots; Covered walkways at bus loop; Crosswalk signals	-	Storm drainage improvements at Bldg. #8; Covered walkways leaking	Additional parking at North East side of parking; Correct ADA ramps at front of classrooms; Replace on-site traffic signage	Upgrade of sidewalk system; Additional walkways at Cafeteria; Storm water at front of building	Provide speed bumps at student drop off area; Covered walkways leaking	Resurface and restripe parking lot; Directional signage at bus loop	Upgrade covered walkway at South to eliminate flooding; Resurface and restripe parking and bus loop	Evaluate sidewalks; Evaluate width of covered walkways; Upgrade stormwater drainage system	Repave and restripe throughout campus; Resurface hardcourt	Upgrade traffic signage 7 striping; Resurface & restripe all pavement areas; Campus wide storm drainage	Upgrade sidewalks; Upgrade traffic control signage; Upgrade storm water system at Bldg. 11	Upgrade traffic signage	Upgrade all paved areas; Upgrade covered walkways; Upgrade storm water drainage system
Security, Fire Protection and Fire Alarm Systems	Evaluate fire alarm system at portables; provide gates at wings; Single point of access	-	Upgrade fire alarm system; Multiple access points; Provide camera system	Upgrade perimeter fencing; Additional lighting at walkways and exterior areas of campus	Provide security cameras; Upgrade exterior lighting	Establish single point of access; upgrade fire alarm system; Upgrade perimeter fencing	-	Upgrade exterior lighting; Provide single point of access	Campus wide security fencing; Security camera system	Security cameras	Upgrade fencing and gate system; Provide security system	Upgrade campus access to single point of entry with fencing & gate system	Upgrade exterior lighting	Upgrade lighting (walkway, exterior); Provide security cameras & intrusion detection; Upgrade fencing system
Landscaping and Play Areas	-	Upgrade of playground system and surfacing	-	-	Upgrade irrigation system	Upgrade playground equipment	Sod at center courtyard area	Upgrade play areas	Ground cover at playgrounds	Provide irrigation system; Mulch at play areas	-	Upgrade irrigation system	Upgrade select playground equipment	Upgrade landscape; Upgrade playground equipment
Outdoor Physical Education	No all-purpose area; Resurfacing and restriping of courts	Restriping of play court	Replace bleachers at McLarty Stadium; Resurface track; Concession at midway; Upgrade scoreboard at McLarty Stadium	Upgrade softball field; Restriping of track	-	Provide covered hardtop with shade	Upgrade track and provide concrete curb; Provide outdoor basketball court	-	Upgrade baseball diamonds; Restripe basketball courts; Additional PE Storage	Resurface hard courts	Resurfacing of track; Upgrade tennis courts	Upgrade baseball/softball improvements; Upgrade track; Additional PE Storage	Resurface and restripe basketball courts	Evaluate condition of all systems (renovate, repair, replace)
Campus Accessibility and ADA	-	Upgrade building signage; Upgrade lighting; Electronic sign	Upgrade drinking fountains; ADA signage for access; Upgrade elevator Bldg. #8	Upgrade of entrance ramps; Restriping of ADA parking	Upgrade exterior sign	Upgrade exterior signage and building numbers	-	Upgrade exterior signage; Upgrade ADA entrance elements	Additional signage at front of school; Upgrade of ADA restroom facilities	Evaluate entrance doors for compliance	Upgrade elevator; Upgrade exterior building signage	-	Upgrade drinking fountains	Evaluate entrance at gymnasium; Upgrade drinking fountains
Mechanical, Electrical and Plumbing (MEP) and Technology	Upgrade Classroom and Corridor lighting; Upgrade of 21st Century equipment	Upgrade of plumbing system	Evaluation of balancing/condition HVAC; Upgrade water supply and sewer system; Upgrade computers and wiring	Upgrade plumbing system; Additional student stations; Upgrade intercom system	provide A/C at server rooms; Additional Storage	-	-	Provide surge protection; Upgrade plumbing system	-	Evaluate electrical and HVAC system; Plumbing system evaluation; Evaluate classroom lighting	Upgrade HVAC system; Upgrade plumbing system; Upgrade HVAC system	-	-	Upgrade HVAC system at Gymnasium; Upgrade Bard HVAC system; Upgrade plumbing system & telephone system
Building Finishes and Systems	Upgrade exterior door system; Upgrade flooring to ceramic tile; Replace carpeting; Interior painting; Rust @ patio	Select painting; Upgrade interior doors and paint	Painting; Reroofing; Window sills cracking	Interior & exterior painting throughout campus; Roofing system leaking	painting of doors; Interior painting; Cafeteria needs to be replaced	Interior painting; Flooring upgrades	Exterior painting	Exterior & interior painting; Repair floor tile	Seal windows; Upgrade wooden doors; Painting interior classrooms; Upgrade Classrooms flooring to tile	Evaluate ext. veneer system; Evaluate main entry; Evaluate exterior doors; Evaluate roof system; Carpet upgrade.	Upgrade flooring; Upgrade exterior doors; Upgrade VCI; Painting of interior	Upgrade hurricane protection system to allow cleaning; Interior painting	Upgrade of flooring in select locations	Upgrade roof system; Evaluate doors; Paint exterior
Building Interiors	-	Additional storage	Upgrade Gym lockers; Replace weight room	Upgrade of Administrative space; Painting at Gymnasium; Additional Storage	Security - ability of visitors to bypass from office	-	-	Upgrade plumbing; Upgrade restroom finished; Ceramic tile in corridors; Painting	Security cameras; Sound separation at Music	Evaluate Media Center layout; Additional Storage	Upgrade band instrument storage; Upgrade Flooring in Multi-purpose rooms; Upgrade Flooring	Cameras at restroom entries; Additional 700 seat Auditorium; Upgrade Gymnasium	Additional Storage	Upgrade layout at ESE rooms; Upgrade finishes at Gymnasium
Principal Priorities	Upgrade exterior door system; Painting of exterior trim; Rust at campus entrance, covered patio area, campus general; Provide gates & fencing at wings; Secure campus with intrusion devices	Upgrade playground; upgrade plumbing system; Evaluate parking configuration - need additional hard surfaces;	Upgrade wiring and technology; Evaluate traffic flow; Upgrade elevator; upgrade sound system in Auditorium and Gym	Perimeter fencing; Exterior lighting; Exterior basketball courts; Front office furniture to accommodate visitors	Safety fencing and gates at West side of car loop	Repainting of hallways; Single access/fencing; Shade structure	-	Upgrade of plumbing system; ADA upgrades at restrooms; Repair voids under concrete slab; Evaluate traffic flow from Range Rd.	Refinishing of wood FFE; Upgrade metal exterior door hardware; Upgrade coating system; Additional fencing to facilitate single point of access	Upgrade HVAC and Electrical systems; Replace gutters and downspouts; Plumbing systems beginning to fail	Upgrade interior doors; Upgrade flooring; Resurfacing of pavement areas; Upgrade cabinetry in restrooms; Provide sound barrier in ceiling	Upgrade security campus wide - address multiple access points; Security camera system	Upgrade security camera system; Upgrade configuration of bus & car loop;	Upgrade roof and gutter system; Upgrade sidewalks; Modernize Gymnasium (HVAC upgrade, acoustics; sound system)

LAUREL ELEMENTARY	LAUREL ELEMENTARY	LAUREL ELEMENTARY	HUDSON MIDDLE SCHOOL	THOMAS JEFFERSON MIDDLE	INTROVILLE HIGH	INTROVILLE HIGH	UNIVERSITY PARK ELEMENTARY MIDDLE	WEBB HIGH SCHOOL	WALKER HARRISON HIGH SCHOOL FOR SCIENCE	WALKER HARRISON HIGH SCHOOL	WATERBURY ELEMENTARY
Transportation Systems	Provide speed bumps; Canopies at bus loop and car loop	Evaluate side parking security, gate at bus loop, rusting soffits, fire pull room 204, AC damper in 200 Bldg; Storm water drainage at eastern fence line	Fence in car loop; Larger gate opening to playground for emergency vehicles	Evaluate student access from West side of campus	-	Additional bike racks	Upgrade entrances and exits; Additional sidewalks bus loop and bike/walker area; Overhand & benches at car loop; Additional gates	Upgrade parking	Evaluate entrances and exits at parking area	-	Upgrade walker access, signage, crosswalks and sidewalks	Separate district bus compound entrance from school entrance
Campus Paving, Sidewalks and Covered Walkways Systems	Sidewalk upgrades at bus loop and at front of school; Provide speed bumps	Evaluate parking paving conditions; Existing canopies need cleaning and painting	-	Provide additional signage at parent drop off; Evaluate storm water drainage at entry doors	-	Additional covered walkways; Additional paving at bus loop	Resurface and restripe paving at bus loop & parking; Storm water upgrades at select areas	Additional sidewalks; Upgrade existing sidewalks	Evaluate covered walkways; Evaluate exit traffic patterns	Upgrade gutters; Upgrade drainage	Upgrade campus paving and striping; Covered walkways to portables; Crosswalks; Traffic control signage	Additional traffic signage; Evaluate storm water system
Security, Fire Protection and Fire Alarm Systems	Provide single point of access on site, security cameras; Evaluate campus lines of sight	Change gate & fence configuration at office; Evaluate fencing condition and function campus wide	Evaluate campus fencing; access gates, single point of access, camera system	Provide additional perimeter lighting at Cafeteria	-	Upgrade security camera system; Evaluate Fire alarm system	Upgrade perimeter fencing and gates	Upgrade walkway lighting	Additional walkway lighting at stadium;	Provide security cameras	-	Upgrade campus access; Security cameras; Intrusion detection at front doors
Landscaping and Play Areas	-	Removal of dead stumps; Excessive tree overgrowth at West fence	-	Upgrade irrigation system; Upgrade playground equipment; Upgrade ground covering at playground area	-	-	Provide irrigation system; Landscape upgrades	Upgrade irrigation system	-	Upgrade irrigation system; Upgrade playground system	Upgrade irrigation system; Upgrade interior fencing	Upgrade playground equipment; Upgrade irrigation system
Outdoor Physical Education	-	Basketball courts need resurfacing and restriping	-	-	-	Upgrade basketball courts; Upgrade track	Additional PE storage; Wall at pavilion with electricity	Outdoor space/play field limitations	Evaluate basketball courts	Repave and restripe basketball courts	Provide concession stand; Resurface & restripe track, basketball courts; Provide dugouts, bleachers, pressbox	Reconfiguration of PE storage area
Campus Accessibility and ADA	Provide electric door openers	Upgrade exterior ADA signage	Lower curb at car loop	Upgrade ADA signage; Upgrade water fountains	-	-	Add ADA water fountains; Building numbers; Additional access doors	-	-	-	Upgrade water fountains	Evaluate function and condition of access doors
Mechanical, Electrical and Plumbing (MEP) and Technology	-	Evaluate upgrading phone system; Upgrade classroom HVAC systems; Upgrade 21st Century classroom equipment	-	Update telephone system; Upgrade HVAC system	-	Upgrade HVAC system	Upgrade plumbing; HVAC upgrades at Office; Upgrade telephone system; Upgrade electrical; Upgrade PE; Upgrade 21st Century	-	Evaluate intercom system	Upgrade corridor lighting; Evaluate electrical system	Upgrade HVAC central and classroom; Upgrade sewer system building 4	Upgrade clock system; Evaluate classroom HVAC systems; Evaluate technology systems
Building Finishes and Systems	Replace carpet at Media Center; Evaluate cracked tile; Paint exterior doors and walls	Paint exterior and interior; Upgrade vinyl tile; upgrade door hardware; upgrade window screens	Paint interior and exterior of campus; Provide ceramic tile throughout campus	Roof leaks	-	Exterior door paint; Evaluate door hardware condition	Upgrade exterior doors/hardware; Upgrade windows; Upgrade restrooms; Paint interior; Repair exterior walls	Painting exterior doors; Upgrade flooring at portables	-	Upgrade carpeting at Media Center; Upgrade classroom doors	Upgrade carpeting; Refinish exterior building walkway; Paint exterior Auditorium & Admin.; Water intr. walkways	Exterior paint; Evaluate exit door hardware; painting at classrooms; Upgrade flooring to ceramic tile
Building Interiors	Evaluate layout, restroom lines of sight	Painting in Kitchen area	Evaluate size of chorus room	-	-	-	Upgrade 21st Century drops; Expand dining; Expand dining; Add classroom restrooms; Faucet upgrades	Additional conference space; Multipurpose room too small	-	Additional storage	Provide carpeting; Expand Music spaces; Upgrade science labs & equip.; Additional Storage	-
Principal Priorities	Provide covered walkways at bus and car loop; Evaluate staff work room and art kiln location. Provide electric marquee; Primary entrance hard to distinguish	Upgrade parent parking; Reconfigure fencing to provide single point of access	Paint interior and exterior of campus; Provide fence at car loop	Upgrade student access from West side; Evaluate traffic flow at dismissal; Resurfacing and restriping asphalt at parking lots & front of school; Evaluate Gym floor surface; Upgrade Playground equip.	Resurface and restripe parking & student drop off; Evaluate storm water drainage at parking; Courts ressealed and restriped; ADA parking & auto-door at entrance; Upgrade classroom HVAC	Security camera system; Upgrade HVAC systems; Renovate bathrooms Bldg 17; Exterior painting of doors; Asphalt repair in various areas	Upgrade fencing for security; Increase size of cafeteria; Reconfigure bus and car loops; Add window blinds for security	Additional Storage; Additional office space (resource personnel); Additional building space to accommodate growth; Additional exterior space	Upgrade vehicle entrance and exit configuration	Upgrade storm water system to eliminate classroom flooding; Upgrade HVAC system	Upgrade HVAC system; Upgrade sanitary system Building 4; Upgrade Gym size; provide competition rack; Upgrade science classrooms & equip.; Provide pressbox & concessions; Additional Storage	-
